Our **search committee** is actively working to find a new rector. This is not a quick process, and takes about a year. Keith Loker is Chairman. Contact him or the senior warden with questions.

Sadly, our **organist** has also taken a new job, so we are looking for a replacement there as well. We were hopeful that he would stay but alas, it is not meant to be.

Dear Friends and Parishioners of Christ Church Chaptico,

The diocese has lifted almost all Covid restrictions on worship and gathering as a congregation. The only restriction is to refrain from using the common cup at Eucharist.

Vaccinated Choir can sing out; loud and proud.

Coffee hour is back! Starting May 30th after the 10:00 service.

We are **open** again to rent the church hall for showers, birthday parties and receptions (anything you can think of). There are no capacity restrictions.

Please, as you feel comfortable, COME TO CHURCH. I know I have missed seeing you. Hope to see you this weekend!!

Sincerely,
Keith
