A Pastoral Note From Fr. Chris

Dear Friends from All Saints and Christ Church,

It is with both sadness and regret that I announce the end of the Collaboration Agreement between Christ Church and All Saints. My last Sunday as Rector of All Saints is August 5, 2018. I am available to the Vestry of All Saints to cover pastoral emergencies on a limited basis. The new worship schedule at Christ Church (starting on Sunday, August 12th) will include a service at 8:00 a.m. (Rite I—Traditional Language) and 10:00 a.m. (Rite II—Contemporary Language with Music).

With dwindling resources and two aging congregations, it only seemed natural for our two churches to pull together, share a priest, and share the work that God has given us to do. However, only two short weeks into this collaboration, it was discovered that the All Saints worship space was uninhabitable. Yes, this seemed like a daunting and heartbreaking prospect, but I tried to remind everyone that the church is not a building—it is the people who form a special community of faith. Naturally, people were shocked by this news and began to feel a deep sense of grief and loss.

The real challenge, for me, during this past year has been the "over the top" level of anger perpetuated by a small number individuals who are really on the fringe of the parish. The withering use of emails and social media has only served to divide this congregation rather than build a stronger community of faith. A lot of good people have been deeply hurt by a small group intent on throwing folks "under the bus" who do not agree with their agenda.

So what is the current situation? All Saints is an aging congregation (the youngest active male is 62) with only 18 pledging units and approximately 25 active members. A structural engineer has recommended that the church building be raised. The parish only has approximately $150,000 to spend on operating costs (another $250,000 is in a restricted fund that cannot be touched). Couple this with the fact that they no longer have a priest, is the rebuilding of the church really the best stewardship of church funds?

And by appointment

Our Presiding Bishop, The Most Reverend Michael Curry, has invited us to live into what it truly means to be the "Episcopal Branch" of the Jesus movement. To do as much good in the world around us and to touch as many lives as we can in the name of Jesus. In short, to do and be what is really life giving.

Where does Jesus say that name calling, finger pointing, and blaming is life giving? Against the advice of many loving and supportive people, I have tried to keep this collaboration going because I really love the All Saints parish family and I am committed to their spiritual care. It is important for me to confess that I have made mistakes along the way too. For those whom I may have hurt, I apologize and ask your forgiveness. Regrettably, the pastoral relationship is broken and I must turn and focus my ministry on the Spirit filled work taking place by the members of Christ Church.

A number of All Saints members have expressed the desire to join Christ Church. I am super sensitive to how difficult it is for people to change churches. For those who do decide to come to Christ Church, you will find a welcoming and supportive home here.

Finally, I want to thank Bishop Mariann, Paul Cooney (The Canon to the Ordinary), the vestries and people from Christ Church and All Saints, Mari (our Parish Administrator), Stephen (our Music Director), and my dear wife and children for loving me and supporting me through this endeavor. My desire to serve our Lord led me to want this collaboration. In spite of all the reservations many of you had, I have to thank you for letting me try to make a difference.

Faithfully yours in Christ,

Chris +

BULLETIN INSERTS

July 22, 2018
United Thank Offering 2018 Grant Awards

Each year, the United Thank Offering (UTO) encourages every Episcopalian to adopt a personal spiritual discipline of gratitude. UTO invites the church to notice the good things that happen every day, give thanks to God for the blessing, and then make a thank offering in a UTO Blue Box. Each year, 100% of what is collected is given away through grants to support innovative mission and ministry in the Episcopal Church and the Anglican Communion.

From the Lillian Valley School, Diocese of Idaho

Since our official founding in 1889, UTO has awarded 5,257 grants for a total of $137,094,170.52. For a complete list of all UTO grants, please visit *www.episcopalchurch.org/UTO* and click on the Resources tab at the bottom of the page.

As a result of your gratitude and generosity, UTO raised $1,283,216.21 in 2017. Of this, $25,438.04 funded the 2018 Young Adult and Seminarian Grants (which can be found at *bit.ly/uto-yasg*).

From the Jonathan Myrick Daniels Center in Reus, Reformed Episcopal Church of Spain

This year, the focus of our granting process was **Becoming Beloved Community: Racial Healing, Reconciliation, and Justice**. 34 grants were awarded as a part of our annual grant process, which utilizes the remainder of the 2017 Ingathering funds, or $1,257,778.17. The smallest grant was for $4,000 to the Diocese of Idaho for their project, Connecting Cultures by Becoming a Beloved Community at the Lillian Valley School, an elementary school serving children on the Fort Hall Reservation in Southeastern Idaho. The largest grant was for $90,000 for the Reformed Episcopal Church of Spain to open the Jonathan Myrick Daniels Center in Reus to create a center for young adult refugees.

The UTO Board received almost $2.8 million in requests in 2018. With your help and the encouragement that you give to others to join the United Thank Offering, we hope to raise additional funds in order to support even more of our wonderful applicants. To learn more about the United Thank Offering, our grant recipients, or how to order UTO materials please visit *www.episcopalchurch.org/UTO*.
