June 10, 2020 Report to the Vestry from the Regathering Task Force

We have held 2 meetings and identified 4 areas of concentration to meet the guidelines for our regathering plan. They are: Church building; Parish Hall; Services; Communication; Caring and Community

Report: Each area leader has identified tasks to be accomplished. The “to-do” list is comprehensive, and we are now determining which tasks can be completed by parish members and which will be contracted out to Vendors. The results of the parish survey will help us fine-tune our regathering plan. Once the plan is completed it will be submitted to the Vestry for their consent and then on to the Diocese for approval.
