**Vestry Meeting**  
**Wednesday September 8, 2021**

Present: Keith Owens, Brad Reeves, Bob Donaldson, Paul Nelson, Laura Rocheleau, Lynn Burton, Monty Wright, Dave Hudson, Lynne Redmond, and Karen Owens.

Present via phone: John Deatrick

Not present: Dottie McCubbin

1. Vestry Member Check In: Vestry members had time to check in with each other.
2. Call to Order: Keith Owens called the meeting to order at 6:33 p.m.
3. Prayer: The meeting opened with a prayer.
4. Vestry Minutes: The August 9, 2021 vestry minutes were accepted.
5. Prayer list: The vestry meditated on the current prayer list.
6. Treasurer's report – Brad Reeves: The Profit and Loss statement was reviewed. Some items need to be re-characterized to properly reflect the expense.
7. Junior Warden's Report – Dave Hudson: A few items in the rectory did not pass their initial inspection, but Dave has remediated and those items have now passed inspection. The damaged shed siding has been replaced. Weed killer was sprayed around the rectory and driveway. The drains on the hall downspouts have all been attached. Dave worked on the hall door and the magnetic release. A new dumpster is coming next week, at no charge. The new commercial refrigerator is also coming next week. There is a new property manager assistant, Tonya, so we now have two people to contact re: renting the rectory.
8. Senior Warden's Report – Keith Owens: Fr Ted completed 4 weeks with us, and Fr. Dan is coming back for the next 4 weeks. We are going to lean on these two as much as we can. There are no more interim prospects from the diocese. Many parishioners received a phishing email today which looked like it was from Keith, but it was not from Keith's email address. The Sunset dinner has been postponed. We will host a bonfire in the church yard in October.
9. Announcements: Monty will be sending out a new Liturgical LEM/lector/greeter schedule for the next quarter; it was determined that there will be no more 5<sup>th</sup> Sunday combined services.
10. New Business: Keith is working on a solar proposal to help with our electric bills (church, hall, and rectory combined). Camera for the church: Keith has talked to an electrician, who has a system with cameras and a DVR that we could have installed. Keith is also working on a cabinet for the back pew on the left side of the church. He will find out the cost of a cabinet, the installation and a lock. We should move the fire extinguisher from the children's area in the back pew on the right side.
11. The meeting adjourned at 7:18 with the Lord's Prayer.

Respectfully submitted by Karen Owens, Registrar
