Important Notes:

"Curious About AED (Automated External Defibrillator) and how to use them? AEDs are an electronic device used to treat sudden cardiac arrest by delivering an electric shock to restore a normal heartbeat. You see these devices in lots of public places - gyms, churches and even our church hall. On Sunday June 7 following the 8 am and 10 am services *at the church*, Amy Topolski and George Kennett will provide a 15 tutorial providing guidance on how to use this life-saving tool."

Mission Statement:

We live the message of Jesus Christ as a Godly presence, influencing and encouraging all persons to gather in community for worship, service, and play.

Vision Statement:

Christ Church expresses God's love by being welcoming and attentive to individuals and the wider community, through the guidance of the Holy Spirit.
